Howard Graham: 60-sec

Good Morning

My name is Howard Graham and I am a partner in Westbury Chartered Accountants, Business Advisers and Tax Consultants.

From our offices in St John Street, Clerkenwell, our 9 partner, multi talented firm of qualified accountants and tax advisers help a multitude of clients from the smallest one man band to multi-million pound enterprises, make more money and pay less tax.

We are innovative, creative and proactive and unlike most accountants, have built successful businesses ourselves.

Sectors in which we specialise include property, restaurants, and the legal profession although our main claim to fame is assisting with start ups.

This we do through our associated company the Made Simple Group and its award winning website companiesmadesimple.com which forms almost 4,000 companies every month. Since we started this venture, we have formed more than 150,000 new companies.

Who do you know who wants to keep more of their hard earned money, pay less tax or is just simply starting a new business.

We'd love to meet with them and hear their story.
