

BNI 60-sec Ian Selvan

Good Morning,

I'm substituting for Ian Selvan of CentrePoint Software.

Centre Point Software is a computer software supplier that specialises in Sage Accounting and Payroll systems, and Customer Relationship Management solutions based on Maximizer and ACT!, and Sage CRM.

CentrePoint Software is based in Holborn and offers special discounts on Sage Software, as well as help and advice to organizations that require Computerised Accounting systems and Customer Relationship Management solutions.

Ian Selvan, Centre Point Software,

“Where Sage becomes a Business Solution”
