John Brandler of Brandler Galleries

I regret not being able to be here today.

Brandler Galleries specialises in High Quality Art without the High London Overheads.

We stock a wide range of art from Banksy and Damien Hirst to Constable & Gainsborough, with a price range of £75 to 75 Thousand Pounds, proving that you do not have to pay Top Dollar to get top art. With our own Car Park clients visiting know they can relax and enjoy seeing a wide range of art without being pressurised.

WE advise clients on creating collections for pleasure and investment, our aim is always to handle art that we can't afford in 10 years' time.

For example 9 years ago we advised clients to buy an artist's work at £300 - Called BANKSY.

Two years ago we advised clients to buy Billy Childish at £2,000-£3,000 – they are now £7-£10,000.

As to referrals, I am looking for introductions to Interior Designers, Fund Raisers in Charities and when you visit a client & see a picture on their walls, ask – Who buys the pictures for their company and can I call them?
